Advocate™

# Health Advocate is Ready to Help You and Your Family

## How We Can Help?

- Finding the best doctors and hospitals
- Assisting with eldercare issues for parents and parent in-laws
- Saving money on healthcare bills
- Locating and researching all current treatments for a medical condition
- Securing second opinions helping provide peace of mind
- Scheduling appointments with hard to reach specialists
- Obtaining unbiased health information to help make an informed decision
- Identifying renowned “best-class” medical institutions regarding serious illness or injury
- Assisting with a complex medical condition

- Your Health Advocate membership also covers your spouse, dependent children as well as your parents and in-laws.
- And ... lots more!

Health Advocate does not provide health insurance or medical services or recommend treatment. All medical services are provided by independent healthcare practitioners who are not employees or agents of Health Advocate, Inc. Health Advocate provides administrative and information services through our employees and contracted service providers. All of Health Advocate's services are offered in a manner that fully respects and protects the privacy of our members and the confidentiality of their medical information.
