FREQUENTLY ASKED QUESTIONS

“I can’t believe you cared enough to save me the money that allows me to get my medication.”

What are specialty medications?

These medications are used to treat rare and chronic diseases.

How do I contact you?

Please call us at 1-888-843-2040.

How do I order a new prescription?

Please give us a call, and we would be happy to handle this process for you.

- **By Mail:** You or your doctor can mail your new prescriptions to:

Noble Health Services
8001 Route 31
Bridgeport, New York 13030

Please include your first and last name, address, allergies, and date of birth with a phone number if there are any questions.

- **By Fax:** Please fax a new prescription to us at: 1-888-842-3977.
- **By Phone:** Your doctor can call and speak to one of our Registered Pharmacists at 1-888-843-2040.
- **E-Prescription:** Noble Health Services accepts electronic prescriptions.

How long does it take to receive my prescription?

We will ship to your home, office, or doctor’s office. Our standard processing time is less than 24 hours. We ship using FedEx or UPS via an expedited method.

We will call to coordinate a delivery time with you so that you can be home to accept your prescription.

How do I refill my prescription?

We manage the refill process for you. We will call to schedule your order a week or so in advance when it is coming due. If you have any insurance changes, please contact us as soon as possible.

How much will my prescription cost?

This will vary depending on your insurance. Most of the time we can answer this when you call us.

How can you help reduce my out-of-pocket cost?

We will work to identify co-pay card assistance, patient assistant program support, and charity organizations that can help.
